

St Agnes Church, Cawston Child Protection Policy Statement

Members of this church commit themselves to the nurturing, protection and safekeeping of the children and young people in their care.

- It is the responsibility of all church members to do their best to prevent the physical, sexual and emotional abuse of children and young people and to report any abuse, alleged or suspected.
- This church is committed to supporting, resourcing and training those who work with children and young people. It will provide supervision for workers because it recognises this as important in maintaining good practice.
- This church strongly advises everyone working with children or young people to undertake Child Protection Training offered by Norwich Diocese.
- This church is committed to following the current Norwich Diocesan Guidelines "*The Protection of Children and Young People*". It will ensure that all those who have regular contact with children under the age of 18 years obtain a CRB 'Enhanced Disclosure' and complete a Confidential Declaration. These will be renewed every three years.
- The PCC will accept responsibility for the appointment of leaders and will ensure that each person who has contact with children under the age of 18 years receives a copy of this policy statement and is familiar with the Norwich Diocesan Guidelines.
- The PCC will undertake to review this policy statement annually and display a copy of the current policy in a prominent place on church premises so that all are aware of its existence.

Progress in carrying out the policy will be monitored by the Named Person for Child Protection who is:

Mrs Mandy Cameron-Heffer
(01603) 879393
